

## How to Submit a Wedding for Publication

**DEADLINE FOR SUBMISSIONS IS AUGUST 30, 2008**

After a wedding has taken place, we welcome you to submit it to *805 Weddings* magazine for consideration. Please make sure your wedding meets these guidelines:

- We will only consider weddings that have occurred in 2008 for publication in our January 2009 issue.
- If you submit a wedding for consideration in *805 Weddings*, you are guaranteeing that it has not been previously published or is scheduled to be published by another magazine or Web site. Once a wedding has been selected to appear in *805 Weddings*, it may not appear in another publication/Web site (except your own Web site) for at least 1 year after publication date (which is January 2009).
- All images must be from the official professional wedding photographer who must be able to supply a signed model release from couple.
- If you are a photographer submitting a wedding, please inform the couple that you are submitting their wedding for consideration and confirm that they would be willing to be interviewed if selected.
- We welcome weddings that have taken place anywhere in the 805 area code. 818 area weddings will also be considered as long as they are from the Western Los Angeles area (Calabasas, Agoura Hills). Malibu area weddings will also be considered.

If your wedding meets the above criteria, please submit the following:

- 1) Printed color contact sheets with at least 20 of your favorite images from wedding. (Please make sure to include detail shots of dress, cake, flowers, décor, etc.)
- 2) Your name and contact information, including phone number, email, and Web site.
- 3) Disk with all low res jpegs from the wedding. For review and editing only, we require 5" x 7" jpeg images @ 72 pixels per inch.
- 4) Name of Bride and Groom
- 5) Date of Wedding
- 6) Location of Wedding

Mail or drop off your submission by August 30<sup>th</sup> to:

*805 Weddings*, 3717 E. Thousand Oaks Blvd., Westlake Village, CA 91362 Attn: Wedding Submissions

Submissions will not be returned.

If we select your wedding, additional instructions for submitting final images will be provided. Please be prepared to include all contact information for the vendors used for the wedding (event coordinator, florist, caterer, bridal gown/tuxedo, bridesmaids dresses (designer and retailer), hair/make-up, venue (for both ceremony and reception), DJ/music, invitations, party favors, special effects, etc.)

(Note that for final output, we require photos (preferably RGB tiff files) to be at least 8"x10" at 300 pixels per inch. Ideally, we prefer photos that are 11"x17". If you cannot provide images in this format, please do not submit the wedding.)

### **Additional Info:**

- Do not crop or edit images.
- Black and white images are great, but if the image is also available in color, please submit both versions.
- We are looking for the creative and stylish details that made the wedding unique and sophisticated.
- We are looking for both posed and candid shots. The more energy and spirit conveyed by the couple and guests, the better.
